

# Costruire un partenariato vincente

**Webinar, venerdì 14 gennaio 2022**

*dalle ore 10:00 alle 11:30*

**Docente: Gabriella Bigatti**

*Project manager e Consulente strategico per Enti Pubblici, Università, Fondazioni, organizzazioni no profit e private in materia di europrogettazione*

## **Costruire un partenariato vincente**

Il webinar fornisce strumenti pratici e metodologici per consentire agli enti locali di acquisire maggiore familiarità con il processo di ricerca partner per la partecipazione a progetti europei.

### **Programma**

- L'importanza di un partenariato vincente
- La creazione del partenariato in alcuni programmi di particolare interesse per gli enti locali
- Consigli pratici e suggerimenti per la realizzazione di una partnership efficace
- Q&A

## **Costruire un partenariato vincente**

La creazione di un partenariato efficace è di fondamentale importanza per la presentazione di una proposta di successo, poiché nella maggioranza dei casi costituisce criterio di ammissibilità necessario per partecipare alle Call for proposals/bandi stessi.

## ESEMPIO

### Bando “**COVID-19 Recovery Through Sustainable Tourism Growth and SME Support (Cosme)**” *nell’ambito del programma Single Market Programme*

*(aperto ora)*

Il bando mira a guidare la ripresa dell’ecosistema turistico fornendo sostegno alla transizione verde e digitale delle imprese turistiche, in particolare delle PMI, promuovendo l’innovazione, la resilienza, la sostenibilità e la qualità lungo la catena del valore del turismo.

Le proposte dovranno essere presentate da un **partenariato transnazionale** composto **da un minimo di 5 e un massimo di 8 soggetti provenienti da 5 Paesi eleggibili**, con il supporto di almeno un’Organizzazione impegnata nel campo della sostenibilità applicata al settore turistico (collegata alla destinazione scelta).

Single Market Programme (SMP COSME)

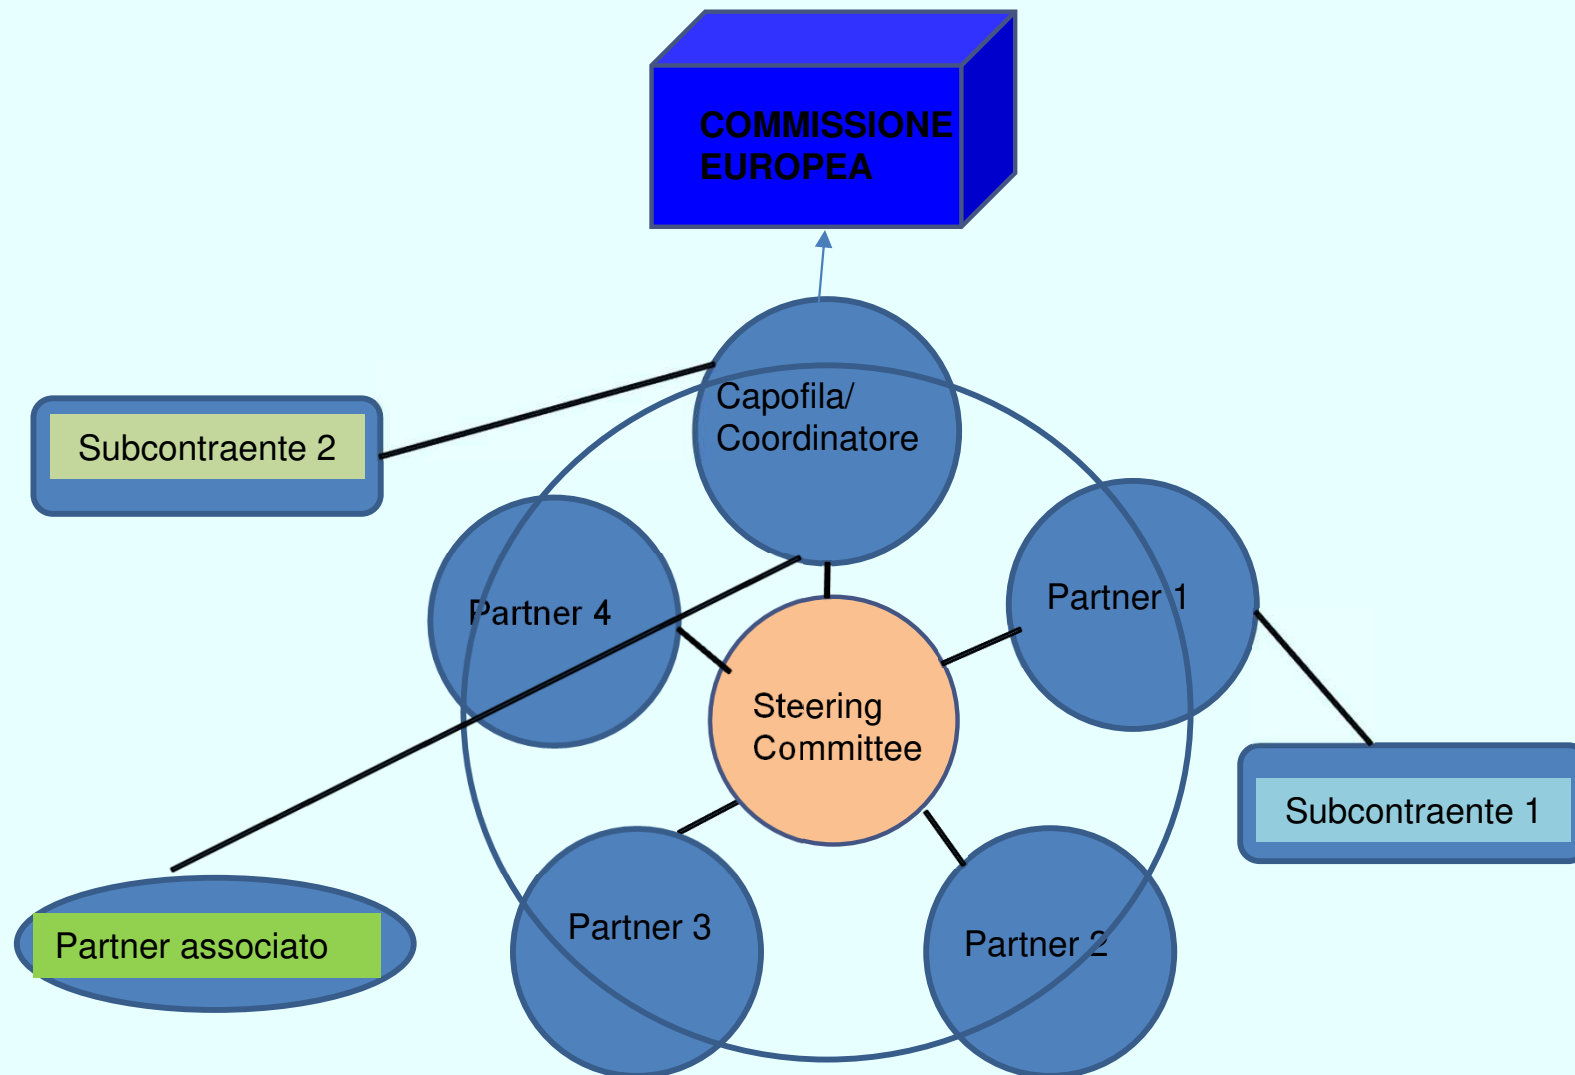

Call for proposals

COVID-19 Recovery through sustainable Tourism Growth  
and SME Support  
(SMP-COSME-2021-TOURSME)

*Il budget del bando è di  
12.420.000 euro*

*e la scadenza è fissata  
al 16 febbraio 2022.*

# Gli attori di un progetto Europeo ed il Partenariato

Nell'ambito dei programmi europei è sempre richiesta la **dimensione transnazionale** del partenariato (tranne rari casi).

Il **partenariato** può essere inteso come una forma di aggregazione tra **diversi soggetti giuridici** i quali, condividendo un medesimo progetto, perseguono uno scopo condiviso.

I partners sono un gruppo di figure giuridiche che svolgono in **maniera coordinata un'attività pianificata** volta ad ottenere i risultati descritti in una proposta.

UNO DEGLI OBIETTIVI STRATEGICI DELLA  
COMMISSIONE EUROPEA E' LA PROMOZIONE DI  
COOPERAZIONI FRA ORGANIZZAZIONI DIVERSE,  
DI NAZIONALITÀ DIFFERENTI

I PARTNERS ATTRAVERSO UNA PROPOSTA/CANDIDATURA  
ESPRIMONO FORMALMENTE L'INTENTO DI:

- ❑ IMPEGNARSI IN UN “INVESTIMENTO” COMUNE PER REALIZZARE GLI OBIETTIVI DESCRITTI NELLA PROPOSTA STESSA
- ❑ ATTUARE IN MANIERA COORDINATA E PRECISA UN'ATTIVITÀ PIANIFICATA PER RAGGIUNGERE I RISULTATI ENUNCIATI NELLA PROPOSTA

LA PROPOSTA NON È DA CONSIDERARE UN CONTRATTO, MA UN DOCUMENTO DI PIANIFICAZIONE IN CUI I PARTNER MANIFESTANO I PROPRI INTENTI.

# RUOLI

ALL'INTERNO DEI PROGETTI I PARTECIPANTI POSSONO  
ASSUMERE DIVERSI RUOLI

## APPLICANT

(=CAPOFILA/CONTRAENTE/  
BENEFICIARIO,..)

COINVOLTI NEL  
FINANZIAMENTO E NELLA  
REALIZZAZIONE

## SUB-CONTRAENTI

(=SOGGETTI IN  
SUBCONTRACTING)

NON COINVOLTI NEL  
FINANZIAMENTO  
DEL PROGETTO

## PARTNERS

(=CONTRAENTI ASSOCIATI, CO-ORGANIZZATORI,..)

**APPLICANT**

(o CAPOFILA o  
CONTRAENTE )

SOTTOSCRIVE UN CONTRATTO CON LA  
COMMISSIONE

E' COORDINATORE E RESPONSABILI DELLA GESTIONE E  
DELLA RENDICONTAZIONE DELLE ATTIVITA' DI  
PROGETTO

RESPONSABILE CONSEGNA DEI DOCUMENTI E DEI  
RAPPORTI SULL'ANDAMENTO DEL PROGETTO

## ***PARTNERS***

**SOTTOSCRIVONO UN ACCORDO CON GLI  
ALTRI PARTNERS (o SOLO CON  
L'APPLICANT) ad es Partnership  
or Consortium Agreement**

**NON SOTTOSCRIVONO UN CONTRATTO  
CON LA COMMISSIONE**

**SONO CORRESPONSABILI DELLA  
PRODUZIONE DEI RISULTATI (assieme al  
Capofila)**

## ***I SUB-CONTRAENTI:***

**STIPULANO UN ACCORDO CON UN  
CONTRAENTE OD UN PARTNER**

**NON HANNO DIRITTI ED OBBLIGHI  
DIRETTI IMPOSTI DA UN CONTRATTO CON  
LA COMMISSIONE (MA CON IL CAPOFILA  
O UNO DEI PARTNER)**

**L'ACCORDO DEVE ESSERE APPROVATO DALLA  
COMMISSIONE EUROPEA (SECONDO LE REGOLE DI  
SUBCONTRACTING) ED SPESSO IL BUDGET CHE  
COMPORTE NON PUÒ SUPERARE UN CERTO LIMITE DI  
BUDGET**

## L'importanza di un partenariato vincente

Non si dimentichi che la **qualità del partenariato** costituisce spesso uno dei principali indicatori di valutazione delle singole proposte progettuali.

Una volta individuati capofila e partner, sarà opportuno **concordare gli obiettivi del progetto, la ripartizione dei ruoli ed infine l'assegnazione delle attività che ciascun partner eseguirà.**

In questa fase di costruzione del progetto, il *lead partner* svolge una funzione di intermediazione tra i vari partner, assicura trasparenza e obiettivi comuni tra i membri del partenariato e coordina le attività, ripartendo al contempo responsabilità e ruoli.

# **BUON FUNZIONAMENTO**

**IL PARTENARIATO FUNZIONA BENE SE TUTTI I SOGGETTI COINVOLTI COOPERANO PER CONSEGUIRE GLI OBIETTIVI DEL PROGETTO.**

**L'INOSSERVANZA DELLE REGOLE E DELLE RESPONSABILITA' DA PARTE DI UN PARTNER PUO' PREGIUDICARE LA REALIZZAZIONE DEL PROGETTO.**

**IL RISPETTO DEI TEMPI, DELLE PROCEDURE, DEI TERMINI E DEGLI OBIETTIVI DEL PROGETTO E' FONDAMENTALE PER NON INCORRERE IN PROBLEMI DI GESTIONE, E IN CASI GRAVI ... NELLE SANZIONI DELLA COMMISSIONE EUROPEA.**

# **ASPETTI GIURIDICI**

## **CONSORTIUM AGREEMENT**

**Atto formale attraverso il quale le parti coinvolte nel progetto si ripartiscono ruoli, budget e spese precedentemente concordati nella fase di elaborazione dell'idea progettuale.**

# RICERCA DEI PARTNER

**SE SI È PROMOTORI DI UNA PROPOSTA E SI DESIDERA CERCARE DEI PARTNERS:**

PRIMA DELL'AVVIO DELLA RICERCA  
BISOGNA DEFINIRE ALCUNI ELEMENTI

- LE CARATTERISTICHE/CAPACITA' CHE IL PARTNER DEVE POSSEDERE
- CAPACITA' E TIPO DI ESPERIENZA/PROFILO
- EVENTUALE DISPONIBILITÀ DI RISORSE DA PARTE DEL PARTNER (DA RICHIEDERE)
- EVENTUALE AREA EUROPEA (se necessaria)
- TEMPI DI ADESIONE

# **INIZIATIVE PER LA RICERCA DEI PARTNER**

**INTERNET (siti appositi, Banche dati, ...)**  
**SOCIAL (Facebook, Linkedin,...)**

**COMPENDIUM PROGETTI PASSATI –  
RACCOLTA DI CASI GIA ATTUATI  
(RETI PARTENARIALI GIA ESISTENTI)**

## Let's stop food wasting

EU Erasmus + KA2 strategic partnership project will be made to reduce food waste in restaurants and markets. Food waste-Food waste and food loss- food loss-food

In all stages of the food chain, from production to consumption, whatever the reason is, all the waste is called food losses and food waste. Food waste is "food that is discarded or left to spoil for whatever reason at the consumer level". Food waste takes place in the stages from food processing to presentation to the consumer. (Ministry of Food, Agriculture and Livestock-2015)

It is known that most of the food waste in the food supply chain occurs in retail sales. Food waste occurs especially in food service businesses (restaurants, cafeterias, fast food and catering services) during the consumption phase. Similarly, the hospitality industry, which represents one third of the food consumption in the world, and especially the hotel establishments with high hospitality capacity, are important food waste and loss areas (WRAP-2013).

1.3 billion tons of food is lost or wasted every year in the world. This is 1/3 of all food produced for human consumption. Food losses / waste; causes waste of resources by increasing the greenhouse gas emissions in inputs used in production such as soil, water, energy, labor, capital. While one third of the food produced in the world is wasted as waste or waste, more than 820 million people are starving every day. It is calculated that the waste per capita in the European

## Creative Leisure and Cultural Diversity

Our project offers creative leisure engagements to the participants in our youth activities in the municipality of Sundsvall.

### ACTIVITY DESCRIPTION

Our project aims to, with the help of volunteers from other cultures, offer creative leisure engagements to the participants in our youth activities in the municipality of Sundsvall, that originates from their needs and interests. The basis for these activities is that everybody is welcome, regardless of ethnical and socio-economically background, physical or psychological disability, religious outlook, gender and sexual orientation. A solidarity approach will saturate all activities that the volunteers will participate in or operate themselves. In short terms, the project aims to increase all youth's participation and engagement in their own leisure time on a local social level. In the long term, we expect the volunteers to influence the activities with their own experiences and knowledge from their respective countries, in order to strengthen the young people's views on democracy and European citizenship. We think this will improve their ability to meet social challenges.

We're looking for:

# Partner needed for training in the field of tourism

Inviato da: *Agnė Vaitkuvienė*

Data di pubblicazione: 18/02/2021

We are a Lithuanian Countryside Tourism Association, we have more than 400 members engaged in rural tourism activities. The organization promotes rural tourism, conducts research on rural tourism businesses, conducts training for small businesses in rural areas, and promotes entrepreneurship among rural residents and youth. More information about our projects - <https://www.atostogoskaime.lt/vykdomi-projektai/> (sorry it's only in Lithuanian). We are looking for partners for the next call. We would like to collaborate in K2 or other programs.

We are most interested in educational projects for rural residents, promotion of

Home A proposito di EPALE ▶ Politica dell'UE Attività della community ▶ Temi ▶ Strumenti e portali ▶

we could participate as research partners, as we have an active relationship with rural businesses and can help collect data or conduct pilot studies.

## Your partner from Lecce, South Italy: Intergenerational learning and Education of Older Adults

Started by Hanna Urbanovich | Posted on Fri, 12/17/2021 - 22:42

We are NGO "EduVita", lifelong learning Centre in Lecce (Apulia, South Italy). Our core activity is development of **social, cultural and digital competences** of adult and elderly people.

We are ready to collaborate in working on the application that your organisation is preparing for May 2022 deadline. As a team we've written KA2 projects and have coordinated KA1 (Youth) and KA2 (Adults) projects, focused on **Intergenerational learning and Education of Older Adults**. We collaborate with the local Municipality and University environment.

Our main activities are:

- **Intergenerational learning** (courses and workshops for elderly students on developing of digital, linguistic and social competences, intergenerational book exchanges and cultural events, Language Tandems online, critical thinking development)
- **Intercultural learning** (books presentations, cultural events, research on European cultural heritage)

## Enter our universe of twinning!

Twinning has been part of Europe's life since the early 1950's, bringing people together across frontiers. It continues to grow and evolve, yet it can still be difficult to find enough reliable, up-to-date information on twinning in one single place.

This is why the Council of European Municipalities and Regions (CEMR) has created this website. It has a dual purpose: to provide you with a well of information on twinning, and to help you find a twinning partner.

We hope that you will find it useful.

**Europa per i cittadini 2007/13 + 2014/21 platform**

**<https://ec.europa.eu/programmes/europe-for-citizens/projects/>**

## Search Project

<https://ec.europa.eu/programmes/europe-for-citizens/projects/>

The screenshot shows the top section of a website. At the top left is the European Commission logo, featuring the European Union flag and the text "European Commission". To its right, the text "EUROPEAN COMMISSION" is displayed in a large, blue, sans-serif font, with "Europe for Citizens Programme" below it in a smaller, white font on a blue background. A breadcrumb trail reads "European Commission > Programmes > Europe for Citizens > Projects". Below this is a navigation bar with a home icon and links for "Help", "Contact Us", "Legal Issues", and "Projects Overview". The main content area features a large background image of a diverse crowd of people. Overlaid on this image is a search bar with the placeholder text "Find projects...", an orange "Search" button, and a blue menu icon. A white tooltip bubble points to the search bar with the text "Click here to open advanced search". At the bottom of the page, there are two buttons: "Map" and "List".
